# BHILI MELA

The climate was very cold and snowy yet it was not a hindrance for the Bhili Mela!

From 13th to 15th December the 21st Bhili Mela was held at the field Sevaniya in Sajjan Garh taluk in Banswara district of Rajasthan state.

In order to listen to the gospel of Lord Jesus Christ, 2700 Bhil people from 315 villages attended the mela. In order to listen to the gentle voice of the Holy Spirit, the prayers of workers was of great help for us. The Lord was in control of all the proceedings of the three-day meeting. He revealed His power through His children.

We thank Sharansthan Church Choir for taking charge of the song and worship and may God use them for His glory. The Word of God was shared by Rev. Virendra Kamble, Rev. Alex Morris and Rev. Anand Singh. It added strength to the soul and brought glory to God.

We thank Mrs. Ramila Khadiya, M.L.A. from Rajasthan for greeting the believers who attended the final day meeting. We greet all the people who fasted and prayed for the Bhil mela, co-workers who shed their sweat, the people of God who gave their shoulders for God's work without considering the inconveniences due to nature and also the ministry partners. – Rev. Silas Chauhan, Coordinator.

# Emil Annan's Points to Ponder

- If the desire that we had at the beginning be found till the end  
The prayer life will not stop;  
As the deer pants for water, when our heart desires for Jesus  
The spring of blessing will never dry!
- God cannot reside where pride resides;  
Until God resides, day never starts, blessings do not flow!
- Those who met the One who does not change yesterday, today and forever  
Will praise for the past days;  
Will walk with confidence about the present days;  
Will not be afraid of tomorrow!
- All those who believed themselves trembled;  
All those who believed the Lord entered the ark!
- All those who seek Jesus early in the morning will find Him!  
Whoever does the same all the 365 days will receive great blessings!

## LETTER FROM THE EXECUTIVE DIRECTOR

We gladly greet you in the name of Jesus Christ who is the same yesterday, today and forever.

### **Thanks for sharing to see happiness all over:**

By the grace of Lord, the Christmas and New Year celebrations were held wonderfully in the fields. It was revealed through the witness of the new believers and also through the baptism services. The special melas and the teachings on the Word of God enabled the new believers to love Christ. The name of the Lord was glorified. Hallelujah!

We thank you for the loving gifts that was donated during the Christmas season. We were able to receive the Christmas gift that you have collected day and night from your area through your representatives and development workers. The Lord enabled us to share the gifts to our workers at the right time. Praise the Lord. We are indebted to thank each and every one of you. May the Lord richly bless you.

### **The Lord leads us daily:**

We read in Exo. 13:21,22 that Lord led Israelites who were in slavery for 4 centuries in Egypt by performing miracles through the hands of Moses and Aaron against Pharaoh. He delivered them powerfully and miraculously. He led them by the pillar of cloud and fire daily and made them inherit the promised land Canaan.

We read in Deuteronomy 1:31-33 that the Lord carried as a man carries his child, delivered and showed love and led them by instructing through the eye. The Lord is our Good Shepherd. We are His people and His love is over us. The Bible describes us the different ways the Lord leads us.

1. The Lord leads us in a straight way – Ps. 107:7; John. 16:13
2. The Lord leads us in an everlasting way – Ps. 139:24
3. The Lord leads us in righteous way – Ps. 5:8; 23:3
4. The Lord leads us by teaching us the way – Is. 48:17; Ps. 32:8
5. The Lord leads our feet without stumbling. - Jer. 31:9; Ps. 91:11,12
6. The Lord leads us with compassion as a mother – Is. 40:10,15,16
7. The Lord leads us gently as the Shepherd – Is. 40:11; 46:4

8. The Lord leads us by satisfying our needs in a sun-scorched land  
– Is. 58:11, Ps. 33:18,19

9. The Lord leads us by holding hand till the end of days  
– Ps. 48:14; Matt. 28:20

10. The Lord will wipe our tears and lead us to the springs of living water – Rev. 7:17; 21:4-7

“The Lord has led us till now. He will lead us in the future. Will He not lead you, if you walk daily by keeping your heart on Him? We can move forward, yes we can move forward in the midst of sickness, failure, distresses in heart and financial problems, only if God stands with us. If we believe us, or others then we will fall” – in this theme Emil Annan sang a song and how true it is!

### **Vision 2025:**

The Finance Committee of Vishwa Vani held on 11.12.2019 and the Board gathered on 13.12.2019 at Hyderabad by the guidance of the Lord. We evaluated the ministries in missions as well as development work. We were able to see opportunities for the ministry in the fields in every state. We planned with faith and prayer that the Lord will help us to train and send native workers to the villages that has not heard the gospel even once, the Lord will give us open doors for the ministry, believers who will pray and sacrificially contribute to the ministry. The roadmap was submitted to the Board. The action plan to reach one lakh villages by 2025 was approved. Pray for God's help.

### **Field Workers training for the Harvest:**

By the grace of God, totally 64 field workers that is 20 from Andhra Pradesh, 24 from Rajasthan and 20 from Gujarat are being trained for full time ministry in the fields. Moreover 30 people from Manipur, 30 from the Himalayan region and 40 from Tripura are getting ready for in-campus training. According to our vision plan, field survey is

held to start ministry in 10,000 villages that is 4600 from North India, 1300 from West India, 1650 from North East India and 2450 from South Central India. We are taking efforts with prayer to train 2000 new field workers by 2020 . We expect your continuous prayer, contributions to take the gospel to the villages where Jesus Christ is not known.

People who have the ability to do good, if you fail to do it then it is sin;  
The people who are bound to death are increasing,  
hence deliverers must rush;  
The time for harvest is going to end...  
but the harvest is increasing more! - Emil Annan

### **The Thirst for the Word of God among the People Groups:**

We read in Nehemiah 8:3, 5,6,13 & 9:1-3 that the thirst for the Word of God by the man of God Ezra has made reformation in the life of the people. Likewise, the first generation believers in the fields are growing in their spiritual life through the melas conducted in the field for them. Pray for the 5 special melas that are to be held in February 2020.

<b>State</b>	<b>People Group</b>	<b>Dates</b>	<b>Delegates expected</b>
1. Andhra	Jatapu	Feb 7-9	4000
2. Andhra	Sora	Feb 14-16	12000
3. Rajasthan	Wagri	Feb 18-19	1200
4. Telangana	Banjara	Feb 19	1000
5. Gujarat	Gamit, Chaudhary	Feb 24-26	300

You may also pray for the special meetings that are to be held for the women, youth and children. They must stand firm to be the pillars for the future.

### **B.Min Training for field worker's In-charge:**

The B.Min, is a three years course offered to equip the senior Field Workers, Field Coordinators and Web-Monitors. Till now 419 workers have joined this course and are learning in their native languages. They are also teaching the same to their co-workers and believers. The vision of the training ministry – “B.Min. to 1500 workers; 7500 elders to be trained and given Diploma in Ministry; 37500 Fellowship Group Leaders to be given training that is similar to C.Min.” This plan will strengthen our vision to reach one lakh villages. This will also enable each and every field to become a theological center. Praise the Lord.

### **2019-2020 Financial Year getting completed by March 2020:**

The role of the believers who pray, give liberally and work voluntarily as representatives for the gospel work is vital. Hence kindly send the offertory to the office and get the receipt. If your savings box is not collected, and if your address has been changed, please let us know.

We request you to send the monthly offerings towards village adoption before the end of March and support the field workers. May the Lord reward you and your generation. You also have a special part in the harvesting of the souls that is held in the field. Give and it shall be given unto you!

# EN CHRISTO

- Pon Subarson

The Lord has enabled to see the New Year by His grace. Praise the Lord. New expectations, decisions, requests and promises would have filled our mind. It is our desire that the New Year has to be blessed. When I was meditating on this, the Lord reminded me the following verse: John 15:4-5 "Remain in Me, and I will remain in you. No branch can bear fruit by itself; it must remain in the vine. Neither can you bear fruit unless you remain in Me. I am the Vine; you are the branches. If a man remains in Me and I in him, he will bear much fruit; apart from Me you can do nothing"

We need to understand very clearly what the Lord Jesus Christ says, how a man should live? When we read the whole chapter we realise that when we live in Christ then we can accept His call, follow Him and we can adhere to His will. This we call in Greek as 'En Christo'. It means to be in Christ. If we meditate on this Greek word, we can understand that the word Christo is from the Hebrew Word Mashiach which means Messiah. It gives the beautiful meaning, the anointed. If we read the Bible, both the Old and the New Testament we can learn three things from the word anoint. Firstly, set apart, to be qualified and to protect (Ex. 30:30; Lev. 8:30; 2 Kings 9:6; 2 Cor. 1:21-22; 1 Chron. 16:21-22). We knew very well how the Lord led the people who were chosen and anointed by God. All that God expected from them was to live leaning over Him! Lord Jesus Christ also says the same thing! Man must live in Christ and that is His victory! If it is happiness or sadness, we must live in Christ, then we will be blessed.

It is a mystery for the modern man who lives in the modern world, depending on science and technology to depend and rely on Christ. These men have come to the understanding that everything can happen through them and through their wisdom.

Things which cannot be understood by man's knowledge and ability, are considered as lies. York Singh says a story about modern man in his book. "Once a modern man lost his way and ended up in a desert. The hot sun scorched him. He saw an oasis. He thought it as a mirage. He said to himself that was a reflection because of the wind and it was making him a fool. He went near the spring in the desert. It appeared there as such. There were

palm trees, grass and spring. He thought to himself that these were the result of the reaction in his brain because of hunger. He said to himself how variant are the magic of nature. The next day two vagabonds came that way and saw him dead. The first vagabond asked his friend: "The palm tree stands right beside him, the spring flows beside him, but he lies here dead, what a pathetic condition?". The second vagabond replied: "He is a modern man".

Yes, not only modern man but also traditional Christians are filled with questions like this. Today salvation, living in Christ, faith and hope are mirage for those who are modern. The senses of mankind are working properly. But the eyes of faith are blinded for those in the world and they cannot see the living water and the living bread Christ who is near us and in us. Then how can we live in Christ? We also get questions of what are the experiences when we live in Christ.

Lord is far beyond wisdom and experience. The fellowship that we have with Him is far beyond our senses. These cannot be gained by training, knowledge and fasting as many say. In contrary, we can live in Christ when we totally commit to God. We can do nothing. But everything is possible with God. We must commit ourselves to God.

The experience that we have when we live intimately with God, will destroy our self rather than believing it. It inspires us. That is what Paul says of to have the same thought as Christ (Phil 2:5-8). But when He was on earth He was with the Father and set us an example. Many times He went alone to tarry with the Father and was victorious, which we can see in the Bible. Every man of God who are seen in the Bible are led by the Lord, protected and are saved from sin. In contrary we can see the problems faced by those who went away from the Lord and their end.

Lord Jesus said you can do nothing without Me (Jn. 15:5). Beloved, let us learn to live in Christ in the New Year let us learn to live in Christ. There is an end for the world and its knowledge. In order to live with God who has created the heavens, we must live and experience. Then we could say as Apostle Paul, "I can do all things through Christ who strengthens me" (Phil. 4:13) not only this year but till the ends of our life.

# The miracle of Increasing Churches

Saripur mission field is among the Bhojpuri people at Bhadohi district in Varanasi, Uttar Pradesh. Ram Chander was successful in business and he had enough money. People were jealous of his house and business. The poojaris and black magicians made Ram fall and he was bedridden. His hands and feet did not function and he was pushed to death bed. The people who did black magic took an oath that they will not shave their beard until Ram dies.

The Saripur believers were returning from the worship and they were able to hear the sound of cry from the corner of house. Yes, it was the house of Ram Chander. The believers who went into the house, comforted them and shared the Word of God and consoled them. They strengthened them 'Nothing is impossible with Jesus'. They brought him to our Khetalpur church pastor Bachche Lal by traveling 24 km. the prayer of the believers and the workers brought new life to Ram; the body parts started to function. The people who took oath against Ram are growing their beard but the church of God is growing day by day through the households of Ram through their witness. There are 162 believers at Saripur and 175 believers at Khetalpur field. Through them the name of the Lord is glorified. Praise the Lord! – *Shiv Lal*

## The Wheat Kernel that Brought Great Result

No one listened to Aliasor Sabar from Gouriguda mission field when he shared the gospel to the people with love. This was the condition seven years before! He was the fallen kernel at Gajapati district in Gouriguda, Odisha during 2013. After him Silasan Bhuyan shed great sweat there.

An old man came running when Silasan started to sing with the traditional musical instruments and shared the Word of God at the Seekers' Meeting. The old man chased the worker saying, I do poojas in this village. When you sing, my gods are running away. Go away from here! but the heart of Abishu Gomango was touched by the song. He invited the worker to his house to listen to the Word. The whole family of Abishu came to new life. Through his renewed life, a new Bible Study group was started at his house. The Word of God started to grow. The believers and their families started to grow. The worship group changed as temporary roof worship centre and the church gave a step by step growth in Gouriguda. Today the first-generation believers fill the church. Among them is the old man, the poojari's family who first opposed the Word of God! The first-generation believers are the witness that the fallen kernel will surely give great result! – *Paralakhemundi worker.*

# REFLECTION OF GOSPEL

We started as a team of three people from Pudukottai to Boddavalasa field in Vizianagaram district, Andhra Pradesh on November 8. The Lord gave us travel mercies. The Lord enabled us to witness the works that the field workers do night and day. The souls among the Sora and Jatapu people group and the community development program among the children are the reward of their work.

More than 200 first generation believers gathered before the church at Boddavalasa and we dedicated it for the glory of God on November 10. We were able to feel that people are fed through the gospel during the witness time, praising time and when the Word of God was shared. May the Lord bless every equipments that are offered for the church ministries! May the light of the gospel shine forth! May the neighboring villages be filled with the presence of the Lord! May the Lord fill the Boddavalasa field church members with His power and fill them with His peace and happiness! – **Dr. C. Isaac Jebastin.**

## GOSPEL OF SAVIOUR TO THE CAPITAL OF INDIA

With the desire to worship the Lord who gives forgiveness of sin, divine happiness and true peace because of the birth of Jesus Christ, the Saviour of the world, more than thousand believers gathered for the special Christmas program at 'The Good Samaritans' school in Madanpur Khadar, Delhi. The weather was unusually long blast of bone-chilling, foggy and there was trouble in travel. Despite all these difficulties, they came and worshiped the Lord whole heartedly! The special songs by children and loving fellowship revealed the born again experience. The message by Rev. Anand Singh touched the longing souls. The Lord has made everything for His glory. May all glory and honour be unto God. - **S. Vincent, Coordinator.**

# THE LORD

Who Is The Same Yesterday, Today And Forever

## LEADS YOU AND ME!

**Who changes?** Not the birds and animals!

**Who changes?** It's human being!

Isaiah 2:22 says "Stop trusting in man,  
who has but a breath in his nostrils. Of what account is he?"

People who do not realize that love of men and the promises of men are words written over water, will desire the friendship of men. They consider that fellowship with men is a strength. A day will come when they will realize and feel sad!

**Why do men change?** Man is self-centered!

When his goodness is affected, his friend becomes an enemy.  
The one who is trustworthy becomes foe!

Those who enter into the future believing man,  
can never face tomorrow With confidence, joy and hope!  
Waves will be lashing in their heart continually!

**What else changes?** The financial strength of man!

Many say that money is sufficient to make future bright.  
Not the strength of money but the strength of heart.  
Money will run away.

For the guest that does not stay  
for a long time in a person's house is money.

One said, the next powerful thing after God is money.  
It is not equivalent to God - It is not powerful than God -  
It has strength that is next to God!  
It cannot stand still, it will run away!  
But a pure heart is needed to move up in life!

**What else changes?** The physical strength of men!

Mohammed Ali is the famous boxer of the world!  
When he retired  
They gave him a beautiful trophy appreciating him.  
He was unable to receive it from them  
as his hands lost control and was moving here and there.

The hands that punched many, was not under his control now!  
Childhood, adulthood, family –  
Then the face of man changes!  
Old age speaks! Spectacles reveals!

The strength of man vanishes with time!  
The calendar will laugh at the people who starts the New Year  
Seeing their physical strength!

**What else changes?** The knowledge of men!

Man does not have the knowledge to know all things!  
The degrees that are received from the universities  
might give weight to name  
but will not be a companion for their life!

Some says “knowledge is power” but practical life denies it.  
Knowledge helps to think, imagine  
but will not give precise answer!  
The knowledge of man and his understanding  
do not have the power to know things!

If men have the knowledge about what  
will happen the next minute or what will happen tomorrow,  
he would have escaped the bullet of their enemies  
and fled from the eyes of the evil men.  
Knowledge is important! But it does not know all things!

Our knowledge is tested when we write exams.  
We forget what we have to remember.  
Until we have the ability to forget,  
there is no power for knowledge!  
If knowledge is everything then the wise will lead a complete  
life. Life with fullness is to have the knowledge of good and  
evil, to ignore evil and to follow good.

Knowledge knew that  
'Smoking is injurious to health  
and alcohol destroys you and your family'.  
There are many who are addicted to it.  
They enjoy by having it.  
One day they are bedridden pathetically!

Those who desire to sail their life with knowledge,  
start their travel on sea with horses made of sand!

### **What else changes continuously?**

Palmistry, astrology, sorcery and  
the revelation of man will change!

Those who see the birth dates, star and time  
are those who are unable to walk with confidence  
in the year of their birth!

They wait for the Sunday Daily to know what their birth star  
is going to say about them!

Who drew the lines of your palm?

Who called the stars by name?

The One who created man!

He is Omniscient! Omnipotent!

None of the astrologers knew everything!

They are not all powerful!

Those who start the future with such a help read palmistry  
and does not see eternal blessings.

They look at the stars and not the blessings!

### **Who does not change? Lord Jesus Christ!**

The Holy Bible tells that

"Jesus Christ is the same yesterday, today and forever!"

Money can run away from hand,

strength of the body can dry up, the skin can wither,

hands search for walking stick,

those who received good might change bad,

those who praised yesterday might curse today.

But the love that Lord Jesus Christ has on us will not change!

Though father and mother are angry,

their anger will not hurt us until there is love!

The standard of man might be low

but God's standard does not change!

Man can forget God.

Even if a man fails to accept God,

God's love over man does not change!

Jesus is so close to us at the distance that we can call!  
He crowns all the 366 days with goodness  
to all those who call Him and asks Him to go ahead of them  
so that they will follow Him.

Lord Jesus Christ opens in such a way that no one can shut!  
He opens opportunities!  
He shuts so that no one can open! He protects!  
He protects all those who believe Him!

He opens the door that you can enter, inherit and flourish.  
If waves roar up high in the path of life,  
He locks the door stopping the waves  
and commands it not to come any more.

Those who start the last day of the year on knees,  
And those who start all the days of the New Year in prayer  
will end with songs of praise.

You have open doors – go and inherit!  
You have special protection –  
so you will be saved from the face of the enemy!

“It is better to trust in the Lord  
than to put confidence in man.  
It is better to trust in the Lord  
than to put confidence in princes” Psalm 118:8,9. ■

## A Prayer

Lord, you are far beyond the time,  
you are not executed by time,  
You are the owner of the eternal house  
that is not seen in the calendars of this world,  
We humans who are temporary has entered a New Year!  
Lord please open miraculous and wondrous doors  
For all that we do for ourselves and our children!  
Crown the year with goodness!  
Let our eyes witness that our paths are dripping with abundance!  
Let our hearts rejoice seeing all that you do!  
You uphold and carry, those who believe in You in Your hands!  
Let us be a witness for it in the New Year!  
We ask this prayer in the name of our Lord Jesus Christ  
Who is our Good Shepherd and who does everything for us! Amen.

Petite Feelings...

# LAHAIROI

Sometimes in our life time when we are lifted to such a height that we never expect, we kick the ladder that we have climbed. These mistakes that we commit without our knowledge, which become a snare for us.

It was the Mediterranean region, which had forests and deserts. It was between Kadesh and Bered a woman was crying. She was able to feel the beats of the child in her womb! She was continually reminded because of the mirage that she saw in the desert! She was happy when she was bought as a slave from Egypt. As a maid to a rich man's wife, her life was smooth. Like the simple Jewish woman- Esther, who had the opportunity to become the queen, she also had a great opportunity. But she did not get the opportunity to become the queen but the wife of a rich man!

It was the time, when her Master with his wife was living in the land of Canaan with riches, livestock and many servants. Though they had everything, just a single blessing was blocked! Their desire to have a child seems to be turned upside down. The reason was they were well advanced in age! Their faith that they will have a child was totally shattered. The decision that her master's wife took was the reason that she was carrying a child in her womb!

Master's wife thought that I do not have children, I will give my servant. At least through her let our family be built. This was accepted by the Master! She became pregnant. But she had the thought that what was not given to her Master's wife was given to her! The pride that started to sit in her heart little by little made her to think cheap about her Master's wife.

When two swords are in the same cover it will burn. The problem was taken to the Master. He handled it very easily. He said to his wife, 'Your servant is under you, do as you wish'. Her Master's wife started to treat her bad, and her life was filled with thorns. She was pushed to an unbearable situation and so she fled!

Her heart was broken. She started to breath hard. She started to weep. She cannot return to Egypt. Her only option was to die. She was at the top of bitterness. At that time a person inquired her. He asked her where are you from and where are you going? What a loving concern! I came from somewhere and does not know where I'm going – she would have replied like this!

When we come to a situation in the world where there is none, then God comes. Even unto Sarah, the angel of the Lord, did not appear and talk face to face. But he met Hagar face to face and conversed with her as a man. She was reaping the consequences of thinking low about others. He counseled her to return to her Master's house and obey him. She was surprised. She said that she has seen the Lord who has seen her. She named the Lord at that place as 'You are the Lord who sees'. Hence that place was called Lahairoi.

We have also crossed Lahairoi many times! But after we returned, we failed to stay quiet! Hagar obeyed what the Lord said and was humble in the house and so a child was born! It was not the child of promise; but a life has been bloomed in the desert! When the child cried, the old couple were filled with joy! The reason was the obedience of a woman!

Have you reached the point that there is no life! Then you are at Lahairoi! The privilege of being at Lahairoi is that you are not alone there, you have a God there who sees you! He brings the broken heart together. He guides you. He blesses you. He changes the tears to joy. All that we have to do is to return to the call. We must remain in the calling. We must be under His hands.

There are many temptations that attack us to take us away from the vision! We are pressed with situations where we give up! Whenever we struggle with the thought that we cannot carry the great vision that God has given us then we are struggling at Lahairoi. But the Lord says: my son, my daughter, you return back and carry the burden for Me. The One who has taken all the burdens of your sin has asked to carry the burden of the soul! The pressures of the world will kill us. But the burden for the souls will make us live! May this New Year enable us to live. Hallelujah!

# FROM THE NETWORK CHAIRMAN

Grace and peace be unto you through Lord Jesus Christ to all those who are believers in Christ Jesus.

I thank the Lord whenever I remember you as you involve in the ministry with whole heart and bring glory to the Lord of lords. I greet that the Lord will bless you with divine blessings from heaven.

The Holy Spirit is leading the ministry in the path of growth throughout India. I am inspired by the Lord to write about the ministries in East and North East India.

We are getting great opportunities to reach 6000 villages in Kolkata region, 2000 villages in Siliguri region in West Bengal. Totally 8000 villages need to be blessed, to reach our vision plan - 2025. May God grant grace to conduct Ezra Camps, training classes for 160 new workers to bless 800 villages in this year. Till now the workers have reached 438 villages. They have started 345 Bible Study Groups, 124 worship groups by the leading of God. They have constructed 33 church buildings as lighthouses. We have received prayer requests from the believers and the workers that they need 13 more churches

at the foothills of Himalaya and 10 churches in Kolkata region. Pray to the Master of the Harvest who does mighty things to spread the Word of God and to raise the name of the Lord.

The Lord has given ministry at 83 villages in 3 districts of Sikkim namely Gangtok, Geyzing and North Sikkim. We are moving forward with the vision to reach 200 villages. In order to open new ministry field we have - 5 Ezras who are ready to join training and 65 villages were identified through field survey. So we are ready to achieve the next half yearly plan. If the prayer supporters and financial supporters come together, the steps to reach the target will be strengthened! The Lord has graciously given 20 worship groups till now and we have constructed 9 church buildings. We are also seeing great progress at Melli field church construction. The Lord will give 13 new workers before the end of 2020 and fullness in the ministry. This is the desire and aim of Sikkim workers and so they need our prayers.

Manipur state is filled with mountains and valleys. 41.3% are Christians, and mainly they

live in mountains. But we have opened 52 fields at the valleys, where the gospel has not reached and are sharing the gospel with Meitei and Kom people groups in 260 ministry villages.

As a result 180 Bible Study Groups were formed and 30 worship groups were established and 9 church buildings were built. Workers have identified 372 villages from 6 districts as great opportunity to begin ministry. They are taking efforts in Christ to reach a minimum of 100 villages before the end of 2020 through prayer. Victory comes from the Lord.

I thank the Lord for the open doors and Macedonian call in all the districts of Tripura. It is one of the states that we see the harvest that is far beyond our thoughts and comprehension. 4.4% of the people are Christians. In order to reach this state, we have kept a vision plan to reach 1500 villages. For that we are training the field coordinators and the elders of that state in theology. 59 villages were identified for the ministry through field survey. 40 Ezras are ready for fulltime ministry training. Please pray for Tripura State Coordinator and other ministry in-charges.

Assam is the biggest state in North East India with 26,637 villages. Among the 33 districts, we are working in 55 fields in 13 districts. We have shared the love of the Lord with Boro, Rabha, Mising and Karbi people groups. The Lord is adding people who are saved daily. The Holy Spirit has lit the gospel lamp at 275 villages. He will carry His light to 450 new villages before the end of 2020. This is the faith of the workers. Kindly pray that God will be gracious on them.

Efforts are taken to expand the ministry in Arunachal Pradesh and to initiate at Mizoram. There are thousands of churches that are well established in Mizoram. 87.2% are Christians. Pray for Rev. Ashanand Lima and Mr. CSR Brem Kumar who have gone to introduce Vishwa Vani Ministries to these churches and to raise prayer support.

We thank Believers in Central and West Tamil Nadu who are supporting the ministries of East and North East India. May the Lord give believers to adopt 1650 villages before the end of this year.

May the grace of Lord Jesus be unto you.

# IN THIS CHANGING WORLD, JESUS ALONE REMAINS UNCHANGED!

- Rev. Emmanuel Gnanaraj, Director – Prayer Network

“You alone remain unchanging in this changing world, all those who knew you will praise you!” These are the last lines of the song “Lord, I will worship you, Jesus I will praise you”, written by Emil Annan. The Holy Spirit has beautifully set each and every line of the song. In the Old Testament, water turned to blood in the hands of Moses. But in the New Testament, the water turned to wine by the command of Jesus. The same Jesus who did that is my Savior and it is the power of God. We must understand it. That was how the Holy Spirit gave these lines “All those who knew the power of your hand will sing and praise Hallelujah – the water that turned to blood became wine and today He is my Savior, who performed all those miracles”.

Not only that God was unseen in the Old Testament but He gave Himself at the Calvary and revealed Himself! All those who have seen the wounds of the Lord in His hands, all those who have tasted His divine love can only say that Jesus is Lord. Likewise, to all those who have personal relationship with Jesus kneel down and gather to pray, will feel the presence of the Lord. What does he realize and when does he feel the presence of the Lord? In this Changing World, Jesus alone remains unchanged.

## **CHANGING WORLD:**

Changes takes place in all times and all seasons in the life of a man. All that we see keeps changing before our eyes. The changes in the cities that we saw 10 years ago, keeps us in wonder. What we see today is vanished tomorrow. We sow a small seed. It becomes a big tree. We cannot see the growth of the plants. I cannot forget the experience when I was small I have to lift myself up and take water from the bath tub. I went to the same house after ten years and I cannot believe my eyes. Because that tub was not even up to my hip. Then I realized that the tub did not shrink but I have grown tall. Yes, not only all that we see but we ourselves are changing. As we grow from young to old there are

many physical changes in our body parts. We see many changes among the people with whom we are attached! Yesterday, they would have been good but not the same today. Men makes promises but never keep it. Sometimes people who seemed to be evil at our eyes are touched by Jesus and they turn good. That is what we call as the changing world.

## **UNCHANGING JESUS**

If there is an unchanging person in this changing world then it is Jesus. Hebrews 13:8 says “Jesus Christ is the same yesterday, today and forever”. Let us meditate in what He remains unchanging and how He remains so. His unchanging ability has the power to change us.

### **1. Jesus is unchanging in His power”**

A poet sang, “Your power never decreased, your resurrection glory never faded”. It is absolutely true.

We read in Psalm 19:1 “The heavens declare the glory of God; and the firmament shows His handiwork”. We read in Genesis chapter 1 that God made everything through His Word. He called the stars by name. To understand His power, read about the 80 questions that Job asks the Lord in Job 38:2 to 41:14. Romans 4:17 says that He calls those things which do not exist as though they did. The miracles that God performed when He was revealed to the earth in flesh is recorded in the 4 gospels. There is power in His teaching, works, death at the cross, resurrection. There was no lack in it and there was no change. Acts chapter 3 reveals the power in the name of Jesus when the lame man started to walk. In the name of Jesus, evil spirits fled, sick was healed and the dead rose again. The power in the name of Jesus did not reduce and change.

### **2. Jesus is Unchanging in Holiness:**

Habakkuk 1:13 “You are of purer eyes than to behold evil”. When He was revealed in flesh He lived a holy life. Jesus challenges the Pharisees in John 8:46 which of you convicts Me of sin?

### **3. Jesus is Unchanging in Righteousness:**

His righteousness never decreases. His ability never changes. Jesus Himself said in John 5:22 for the Father judges no one, but has entrusted all judgment to the Son. Today we see people in the

world without the fear of God and judgment. Those who does wrong willingly cannot escape the punishment. All those who work against the gospel and willingly torment the believers will receive punishment. Jesus who said to Saul it is hard for you to kick against the goads has not reduced in righteousness. Jesus is going to come back to give the righteous judgement (2 Thess. 1:6,7).

### **JESUS ALONE LEADS:**

Hence let us not be disheartened and troubled. The one who has started the faith will lead us till the end. The unchanging Jesus will lead us towards glory.

## **BEGINNING AND ENDING IN SPIRIT**

Many started with flesh  
and ended in flesh!  
Among them are  
Korah and Dathan  
and their end is heartbreaking!

Moreover many started in spirit  
but ended in flesh!  
Among them are  
Miriam sister of Moses and  
Saul who was anointed as King!  
Both of their ends  
will trouble our heart!

Some started in spirit  
and ended in spirit!  
They faced many troubles  
and shed tears!  
But their ends were 'Praise be  
to God who gives victory'!

Until the One who protects you  
as apple of His eyes  
Goes ahead of you  
in this New Year,  
You will start each day in spirit  
and end each day in spirit!  
You will start each day in prayer  
and end each day in praise.  
You will not be put to shame!

### **1. Lead to all righteousness:**

God has given the Holy Spirit to us graciously so that He will lead us to all righteousness (John 16:13). Jesus is the King of Righteousness (John 18:37). The Holy Spirit will help us to understand it.

### **2. Lead to the Still Waters:**

He will lead the people who wait for Him to peace, taking away all the confusions that are seen and will give peace of mind.

### **3. Lead to stand for righteousness**

Jesus will give courage and grace if we need to shed blood to stand against sin (Rev. 12:11). Hence let us take heart and strive to shed blood to war against sin (Heb. 12:4). Let us have the zeal for the gospel. As unchanging Jesus is with us let us remain unchanged. ■

# WORSHIP FOR THE UNCHANGING GOD

We prayed for many months to reach the souls with the ministry plan to reach and earn them through gospel in the regions beyond; that desire was fulfilled on December 27 in Odisha – Devagiri Mountains. 3500 Sora believers gathered at Ajayagada field for a mela.

The Sora people were backward in their food, clothing and culture. But the gospel changed them. Hence they wanted to share this good news with the believers over the mountains – the

main aim of the mela was to share the name of Jesus through the ministry carried by the workers! We worshiped and glorified the Lord who led us all through the year 2019. The Lord sent His Word powerfully through Rev. Pon Subarson. The sharing of the missionaries helped us to realise the need of the Word of God. The Word of God in the form of the sword of the Lord, prepared people to work voluntarily in the garden of the Master! The people of God who are brought together through the field ministry in the form of churches have committed themselves for the good cause. May the Holy Spirit guide them to complete the commitment!

May all those who took efforts in Christ and who worked day and night for the mela receive great blessings in the name of Jesus! We lovingly greet workers Anil Bhuyan, Jeremiah Raita, Jakhiyas Bhuyan, Jiniel Raita, Suram Sabar and Jithru, and Bro. Benjamin Das, State Coordinator and the ministry leaders for their good counsel. -Arjun Bhuyan

# RENEWED IN MIND

I was at the peak of drugs in the morning. In the nights people around me are filled with trouble! All that I have earned was spent in alcohol and gambling! My heart was hardened that I failed to spend for the medical expenses of my wife and daughter. Reang worker from Tripura invited me dearly to listen to the Word of God. But I never listened to it.

The worker realised the day that I was in senses and visited me in the month of January. He shared the Word of God. These loving words pierced my heart and tears rolled. Jesus who loved the mankind through Calvary forgave my sins too. He created bitterness in the sinful life that was pleasing to me earlier. He has given a kind of attraction towards Jesus and faith in the Word of God! We are vessels of witness that we as a whole family proclaim that Jesus is our Saviour. Praise the Lord who has made me a man. - Karamjoy, Tripura

## PHYSICIAN FOR THE SICK

Pharmacies and hospitals are available in all the corners for city people with all these facilities. They are unaware that the interior villages in Srikakulam and Vizianagaram districts of Andhra Pradesh which do not have medical facilities for a radius of 15km. Our seven medical workers are sowing their seed at these villages through the training they have received. They reach the villages that have high contagious diseases and work for these villagers. On an average they reach 100 villages in a month. Is it not our responsibility to support them through our prayers? - Golda Ajith

# THE FALLEN WHEAT KERNEL

Lalu Oraon's Family

No one expected that young worker **Lalu Oraon**, who was just 27 years will be called to be with the Lord at such an early age. Bro. Lalu Oraon was working among the Sadiri and Oraon people group in Lohardaga district Jharkhand. He was active in gospel work. His web centre is Bhandra and he was working with the power of God. He brought 44 people to righteousness and the Lord transformed the hamlets through the Word.

On 11.10.19 he was traveling to Hati village where he was ministering. In the opposite direction people who were drunk came in a two-wheeler and ran over him. His spine was broken. He was treated for more than 30 days. On November 20, he went to be with the Lord. There are many villages where he set his foot at Pajhri, Kaspur and Bhawron area and inherited them for the Lord. This young worker has gained many believers among the Sadiri and Oraon people group which he will be seeing on the day when he will receive the glorious crown from the Lord. Pray for the consolation of his wife Mrs. Priscilla Barla and his 18-month daughter Alin Toppo to be comforted and consoled in the Lord and to get the peace that the world cannot give.

Oinam Rabi Singh's Family

## Oinam Rabi Singh

is a humble servant of God. He worked in Manipur for 16 years in the fields, training centres and office. He then later became the field coordinator. His ministry expanded from Bashikhong field to Mamangleikai. He worked with the target to reach 1000 souls in the field. His steps with faith helped us to expand the field ministry boundaries in the state of Manipur. It even increased the number of churches.

He is a man with a simple heart and was always wearing the sandal of readiness for gospel work. He shared the love of God with Kom and Meitei people group and brought them to Light. He had the experience to cross obstacles that confront him.

When he was 42 years, he developed a kind of disease in the brain. The medical reports said that he was mentally ill. His physical strength reduced. The beautiful legs that wandered to preach the gospel failed to work because of the treatment. On 29, Nov. 2019, he went to be with the Lord in his sleep.

May your prayers give new strength to Mrs. Julia Devi who has lost her husband that she will not turn back from the ministry, but will move forward in faith! Pray that God will be the Father for the young children Joly Grace and Thoi Thoilai.
