POINTS
To ponder

- 🕒 The world gives celebrities; but Heaven gives the Good News!
- 🕒 The world seeks beautiful faces; Heaven seeks beautiful feet. Those are the feet of the Evangelists. says Isaiah 52:7; and Romans 10:15 acknowledges that statement!
- 🕒 The Lord Jesus came into the world to save sinners! This is the Good News!
- 🕒 Gospel is the Good News! All others are bad news!
- 🕒 Just like one drop of medicine saves a person who is at the brim of death John 3:16 is the way which can save man from eternal death!
- 🕒 The Good News is proclaimed loudly, and it falls into the ears of all. It stays in the hearts of those who yearn for it!
- 🕒 Until man confesses that he is a sinner he will not know his Saviour!

VISION:

**TO SEE THE GLORIOUS GOSPEL OF JESUS CHRIST
BLESSING VILLAGES IN INDIA**

FROM THE EXECUTIVE DIRECTOR

I greet you in the name of God Almighty and Lord Jesus Christ so that grace, peace, love, blessings, and good health be filled in your family.

We are experiencing yet another summer season. Summer though very hot, it is a great gift from nature. It can also be said that the world needs this heat for its proper functioning. Hot summer may help to control the spread of the pandemic. Sunlight is needed for agriculture as water. This season also helps the flow of blood in our body and gives good health (Gen. 8:22; Ps. 74:17).

The summer season is also apt for gospel work. According to Proverbs 6:8; 10:5; 30:25 the ants gather food actively in the summer season and store for the future, we are advised to utilize the given time as wise people. It is the right time for the people, to find the Saviour of the world and to share the gospel in the villages of India.

WHAT IS GOSPEL WORK?

Evangelism comes from the Greek word 'Evangelion'. In English we call it as 'Gospel'. It means 'Good News'. The good news is that God so loved the world (John 3:16). Gospel work is sharing the Good News to the people! It is important that those who have experienced 'Jesus' as their Saviour should involve in this ministry!

The goal of gospel work is to share the joy of salvation. Gospel changes the lifestyle of a sinful man and warns him the danger of hell if he does not repent. A man who confesses his sin and accepts Jesus as his Savior, will have the joy of salvation in the world and also in the world to come (Matt. 4:17; Acts 17:30; 1 Jn. 1:9; Jn. 1:12; Acts 16:30-33). It is important to know that, accepting Christ Jesus is not change of religion but change of heart!

Gospel saves a person from sin (Eph. 1:7), helps him to reconcile with God (Col. 1:20) gives the weary soul rest (Matt. 11:28), deliverance from sins, troubles and sickness (Is. 53:4,5) and eternal life (Jn. 3:14-17)!

THE NEED, URGENCY, AND STRATEGY OF THE GOSPEL WORK:

God our Saviour wants all men to be saved (1 Tim. 2:4). It is our duty to proclaim the gospel (1 Cor. 9:16; Rom. 1:14-15). Wise people win souls (Prov. 11:30). It is the last command of Jesus Christ (Matt. 28:19-20; Mk. 16:15). The second coming of the Lord Jesus Christ is very soon (Matt. 24:14). So, we must earnestly work to spread the gospel. Gospel work reveals us the heartbeat of God, His desire (Is. 6:8; Matt. 9:35-38) and the compassion that He has for the people.

1. The importance in gospel work is not what we do but how we do (1 Cor. 3:11-15). That is we have to do God's work in God's way. We must consider the quality and not the quantity. (Noah – Gen. 6:22; Moses – Ex. 39:42,43; 40:33; David – Acts 13:36).
2. We should not do ministry as a game to win but to share the gospel at places where it has not reached even once and establish churches (Rom. 15:21).
3. We must fully rely on the Master of the Harvest to meet the financial needs of the gospel work (Lk. 10:3-11).
4. We must be unseen as the fruit of the palm tree and shed the fragrance without pride. We must be hidden before men and be faithful before God (Matt. 13:33; Is. 6:2).
5. Sacrifice is essential in gospel work. The sacrifice of Jesus to redeem us from sins (Acts 20:28) the sacrifice of Paul and his interest to spend and to be spent for the souls is worth mentioning.

THE RESULT OF THE GOSPEL WORK:

Habakkuk 2:14 says “For the earth will be filled with the knowledge of the glory of the LORD as the waters cover the sea.” The promise in Isaiah 45:23 will be fulfilled: “...Before me every knee will bow; by me every tongue will swear.” It will be the time when we can gather all fish (souls) as said in Matthew 13:47-50. The name of God will be glorified as we are nearing 3000 villages in India in this financial year where the gospel has not reached. Praise the Lord.

LOVING CONTRIBUTION FOR THE GOSPEL WORK:

God has given His Only Son as gift to the world. The love of Christ is

based on 'giving'. It is necessary to commit us and our financial blessings for the gospel work. When we give we take part in 'God's greatest plan of salvation' to hasten it. By giving, we are blessed and we become a blessing for others. "Now finish the work, so that your eager willingness to do it may be matched by your completion of it, according to your means." (2 Cor. 8:11). 'Give and it shall be given unto you (Lk. 6:38),

NEW WORKERS ARE READY TO GO FOR THE GOSPEL WORK:

The training class, for new workers started in January of this year has come to an end. They are going to the new villages where the gospel has not reached. We request you to support a missionary through your prayers and by contributing Rs. 3000/- monthly. You can come forward as a group of 10 and support the gospel work.

The Lord need to fill them with His power and use them for proclaiming the gospel.

COMMENCEMENT OF EZRA TRAINING:

There are 96 new workers joining in campus this month: Uttar Pradesh – 18, Madhya Pradesh – 7, Jammu and Kashmir – 12, Himachal Pradesh – 12, Punjab – 13, Uttarakhand – 13 and in Odisha – 21. ON VISION PATH IN THE PAST 41 YEARS:

Vishwa Vani ministry was started on May 1, 1980. We thank the Lord with grateful heart for helping us to cross 41 years. We are moving

forward with the vision that was set before us by the founder Emil Jebasingh Annan. Let us commit ourselves to work hastily with prayer to light the light of gospel in 1 lakh villages. Please pray without fail for the Board members, the in-charge of 9 departments – Prayernet, Administration, Finance, Development, Missions, Pastoral Care, Training, Community Development and Publication and the ministry partners who support the ministry.

OUR LOVE, PRAYER, AND THANKS:

We lovingly greet and thank the pastors for giving the opportunity to preach in the Lenten special meetings and worship at C.S.I. Christ Church, Udumalpet, C.S.I Church, D.C.C. Chairman of Karur churches, pastors, secretary and treasurer.

Beloved, we pray and thank you for all the support that you render us at different levels. We pray for you daily. May Lord bless your family!

“how God anointed Jesus of Nazareth with the Holy Spirit and power, and how he went around doing good and healing all who were under the power of the devil, because God was with him.”

SAVIOR JESUS

Chat Ram Khandey of Mulmula village of Chhattisgarh is sharing from his heart: “I was paralyzed and was unable to walk for last 2 months. The body parts on my left-side became numb. I was taken to health centers and black magic houses who tried so that my body parts would be revived. But there was no improvement. I heard through the field worker of Mulmula that whatever great might be the disease, when we ask Jesus with whole heart then there is deliverance. I understood it through the Word of God. I joined prayer with faith. The body parts on my left side started to function from 12.4.21. Today my time and days are not wasted on diseased bed. Rather I spend my time attending worship group and glorifying Jesus. I thank the Lord who made me meet the gospel worker. Praise the Lord”.

The Good News

Jesus forgives you! This is the Gospel

If there is no 'forgiveness', then people will not be living on earth!

There were two men! They hated each other! The first didn't want the second one to live, and the second one didn't want the first one to live. They both fought with each other and they both died. What is the reason? It's a fight for a little amount of money! Not a huge sum!

Even animals come forward to put up with, give up, and to forgive. But man will never do that! His heart will be envious about others. Even though man owns an air-conditioned house and vehicle, his heart will always sweat! He is filled with hatred, and leaps with firebrands!

Even if it is husband and wife, children and parents, students and teachers, clerks and officers, or bosom friends, inner anger, inner hatred, deceit, revenge are the ways of man! In that way you can't see the flower of forgiveness!

Who needs this forgiveness?

Not for birds, for they do not err!

In the reign of birds there are no police stations!

Not even for animals

There is no place to enquire about their mistakes or to execute judgment!

There are many aquatic animals living still!

There are no courts in the underwater

Who needs forgiveness?

All people, who are born with a soul need it!

The Lord of lords has done this!

Whether the heart is pure or impure, can be decided only by the heart or by the Lord who has created the heart!

No one can know the heart!

Only the words spoken will show the condition of the heart!

The words are the indicators!

When the heart is spoiled the soul is stirred!

As the heart persists in wrong doings the soul becomes blunt!

When the soul becomes blunt
the human heart fears, does not dare, and turns to be a coward!

Inner fear, inner trembling are the indicators of the sin of heart!
A man made a bed of thorns and lied down on it!
People asked why do you do this?
He answered: "I punish myself because of my sins!"
A man may lie on a bed of thorns and punish himself!
Still he can't find peace of heart.

After committing mistakes, in spite of all punishments
he imposes on himself, his heart will not find peace!
For the sickness of the body there are many doctors in the world!
For the stains of the heart the human efforts are not an answer!

We can touch our body but we can't touch our souls!
The One and Only One who can touch the human heart,
alone can give forgiveness to man!

Forgiveness is cleansing ourselves; removing all dirt!
We can cleanse our body but who can cleanse the soul?
One person can touch the soul and cleanse it from all sins.

Who is He? What is His address? What is His telephone number?
For all questions the only answer is JESUS.

The Gospel is Jesus forgives
Jesus touches the human heart, wipes and cleanses it.
He lives in the heart of people, who put away dirt!
He stops all the rubbish, dirt, and deeds,
which spoil the mind and the body
and chases them away from the mind and the soul!

In the hearts where Jesus dwells, no evil spirits,
which kindle men to do evil deeds, can come near!
The tempter will never come near!
This is the salvation Jesus gives!
Jesus forgives! – This is the Gospel!

After forgiveness, what does He do?
JESUS ACCEPTS!

Whoever He forgives He accepts them!
In the world man will not accept another man!
"I cannot accept your principles;

I don't like you; you are not welcome"
Everyman cannot accept every other man!
There are people who are not accepted in their own homes!

There are many who feel sad that
my own kith and kin have not accepted me.... why?
If there is no forgiveness, there is no acceptance!
Jesus forgives man! Jesus accepts him!

What else Jesus does? Jesus Takes Care!

"We have incurred debt, can't pay the interest,
Can't redeem the pawned articles;
can't buy anything on credit in the shop,
There is nothing at home, who will take care of us?"

"We have done many things for the disease,
taken many medicines;
There are no signs of improvement."

"Take him home", they say!

When hospitals do not take responsibility of patients
in this situation, who will take care of them?

The mind is confused!

In spite of all efforts there is no improvement!

In spite of doing everything there is no good result!

Who will take charge of the Good News to come to me?

In spite of roaming from place to place, looking at different people,
Climbing up and down, the heart is troubled!

There is none in this world who can make the heart a quite stream
or a heart full of happiness or a dwelling place of peace!

Who takes care of people who run towards
the railway lines or well or three-cubit rope?

Who can forgive them? Who is He? Who cares for them?

He is the **LORD JESUS CHRIST!**

Who can touch the confused heart? He takes care of them!

Who has the power to touch the hearts? **ONLY JESUS!**

Who forgives? He is **Jesus!**

Who accepts you? Jesus accepts you!

Who takes care of you? He is **Jesus!**

This is the Good News!

The Evangelists is the one who proclaim this!!

All those who accept this, enjoy forgiveness!!! ■

A Prayer

Lord, thou who has created men in the earth,
Thou who brings him back to the sands on the earth,
Right from our birth we are all in a state of crying;
Right from our birth we are soaked in the sin stained blood;
Our hearts have become poisonous and death is sure;
In spite of all our odds, thou art mighty and merciful!
To save us sinners You have sent Jesus Christ as a propitiation on the cross!
In older times You poured out Your heart's love through the rainbow;
Now You have shown forth Your love through Jesus Christ
Not to complete our lives in the world, but in the Heavenly Kingdom!
To reject the saying the wages of sin is death!
We proclaim Lord, the Good News You have given is Christ!
We offer our lives to proclaim day and night that Jesus is the Good News!
We pray in the name of Jesus
for the glory of Christ and for the Good News of men! Amen!

Heading Towards Hundred

...22, **23**, ... 100

As the believers are praying together and by their loving efforts, miracles happen every day in the field. There is great joy in heaven because of their good works.

After the dedication service of 22nd church building of Kothagiri Prayer Fellowship that was held at Harungpara in the state of Tripura, the 23rd church building was dedicated at Nerudivalasa Colony, Andhra Pradesh on the Easter Day – 4.4.21. The name of Jesus Christ was glorified. We are blessed as we listen to the praise of thousands of believers.

The lifestyle of Soura people is amazing. Their eagerness in the Word of God and enthusiasm to honour the children of God was wonderful! We returned from the mission fields with the thoughtful mind that we need to involve actively in the ministry, which will help the needy people know the Savior. May the Lord help us to build many more new churches by faith. We take toward our vision to build and dedicate 'Hundred Churches' in Vishwa Vani mission fields! – [Paranthaman, Kothagiri Prayer Fellowship](#).

FROM THE NETWORK CHAIRMAN

Beloved brothers and sisters, I greet you in the name of Jesus who said 'I will be with you always'. May the grace of Lord Jesus Christ, His mercy and peace be upon you.

The days are moving faster! Many people who lived with us are no more! It is God's grace that we are alive. There is no end for His mercy. By His endless grace, He is leading us and His ministry in this land. He blesses and leads all those who are involved in God's work. Praise the Lord.

During the early days of the ministry of Jesus on earth, He was at the shore of Gennesaret. Large crowds gathered to listen to His Word. The fishermen came off their boats after fishing and Jesus sat on their boats and started to preach. "When He had finished speaking, He said to Simon, put out into the deep and let down your nets for a catch." (Luke 5:4).

The lake of Gennesaret is called as the Sea of Galilee at other places in the Holy Bible. The Sea was not so deep, and people used to fish in the night. It was well known for Simon who was a fisherman. People knew Jesus as a carpenter (Mark 6:3). Jesus grew in a carpenter's family. He asked to throw the net during the day in the deep. It was a comment that was contrary to the people who knew fishing. The thing that we think are right and big in the world, will be a mean thing in the sight of God.

The Lord has given wonderful strategy for Vishwa Vani ministry from the beginning. We introduced Saving Boxes in Vishwa Vani Ministry in 1980s. Some said that the boxes will never return and how will you get offerings. But for the past 40 years, the offering from the saving boxes is a great support for the ministry and is helping us to reach the unreached and to feed the workers' families. Likewise, the God-given approach of adopting ministry-villages, the representatives, the prayer groups are being carried out in our country. As a result, we are able to witness great joy in heaven, new souls, churches and blessings in the families of the ministry partners!

Peter believed in the Words of Jesus who said to put the net in the deep during the day rather it was necessary to put the net in the shallow waters during the night. Peter obeyed Jesus! He gathered fish not only in his boat but on others also!

Beloved, the theme that God has given for Vishwa Vani ministry in this year is "Launch out into the deep, and let down your nets for a draught." (Lk. 5:4)

Catching fish is an important work! Yes, the souls are fish! Jesus Christ told Peter "Don't be afraid; from now on you catch men." (Lk 5:10).

Presently we see there is no positive situation. It is true that the people of the world are dwindling because of the outbreak. It is true that we cannot conduct any kind of meetings. But the One who has asked to put the net in the deep is alive. It is our expectation to do according to His Word without fear and trembling.

IT IS NECESSARY TO LAUNCH OUT INTO THE DEEP

In Christian life, reading the Bible, praying, involving in ministry, making the believers to participate in the ministry and taking efforts to live according to the Word is moving to the deep.

Identifying the villages that are not reached through the gospel in India is 'Launch out into the deep' According to our vision 2030, we need to reach 3000 new villages through 600 workers in this new financial year by training, equipping, and sending them to the field.

IT IS VERY IMPORTANT TO LET DOWN THE NETS FOR A DRAUGHT

The words of men do not bring changes in the life of men. It is the Holy Spirit that gives changes in the heart. He works through the Word of God. He has given specific training strategy to train the Vishwa Vani workers and take them to deep. It is praise worthy as the training for the workers is enabling them to learn the Word of God in a deep manner throughout their life.

May the Lord grant a spiritual life with deeper experiences in the financial year 2021-2022. We have unfavourable situations to conduct promotional meetings. It will be a great help as you read this issue, you will introduce the ministry to a believer and their family and give them the saving box. It will bring a double blessing for the ministry. We need ministry partners to adopt 3000 villages. Your small effort will bring a great harvest.

The One who gave such a large number of fish to Peter as their net was full. Peter believed and obeyed. If you do so, He is ready to do the same for us. Let us obey the Word with faith. May your kneading bowl, vats of wine and barns be full.

May the Lord bless the efforts of your hand

WITNESSES OF THE GOSPEL

“Yet, Lord my God, give attention to your servant’s prayer and his plea for mercy. Hear the cry and the prayer that your servant is praying in your presence. May your eyes be open toward this temple day and night, this place of which you said you would put your Name there. May you hear the prayer your servant prays toward this place.” (2 Chr. 6:19-20)

These are the verses that made us to look at the mission fields. As a result of the vow that I made to the Lord in 2015,

we decided to build a church in the Vishwa Vani field. The Lord enabled us to build a church at Yakbara Para mission field in Tripura. He also gave us an opportunity to dedicate the church building on 24.1.21 in the remembrance of my beloved father Mr. V.R. Jones.

As a team of 5, we witnessed the miracles of the Master of harvest, in the interior villages of Tripura. We saw the increase in number of repenting souls as the foot of the gospel worker wandered over the villages and shared the gospel. It is our witness that we saw with our own eyes that the churches and the ministry are filled with souls not because of their own strength, but by the Holy Spirit. We pray for hundreds of churches to be raised with lakhs of souls! We thank the workers who joined traveling with us during the ministry journey! We praise the Lord who protected and led us. —Joyce Prema, Mettupalayam.

We Thank

We thank Rev. Thangaraj of St. Thomas church, Tahsildar Nagar, Madurai for conducting the dedication service of field workers Gopal Murmu, and Subal Murmu on 21.3.21, and sending them to the unreached villages in West Bengal. We greet Dr. D. Prem Kumar, Mr. Wilson and Dr. Medonna and their families for supporting these field workers. We greet and pray that the Lord will richly bless the church, Dr. T. Prem Kumar the Secretary, Mr. P. Selvakumar the Treasurer and God’s children who gifted the essentials to the workers.

“All must be saved” is the prime desire that comes in the heart of the believers who worship Lord Jesus Christ. The next desire is to see a church where the saved ones could gather and worship. The choir

members of Poonthoppu CSI church, Kanyakumari, so much loves the Lord and His ministry. They have donated Rs. 3 lakhs for the construction of a church, where the first generation believers gather.

The loving efforts and sacrifice of the Choir Master Mr. Merlin Jeba has strengthened us in the work of God. The members of Choir, strengthened their hands for the good work saying, ‘Come let us build’. Likewise, the voices of the choir members have awakened us.

We lovingly greet the church pastor Rev. Victor Jeyasingh, Secretary Mr. Lazur, the church committee, the church members, and the choir for giving the opportunity to share the Word of God on 11.4.21 - Regin

GOSPEL GAVE NEW LIFE

I used to scream and lament in my sleep and there used to be a fear during night at our home. It is a sign of mental illness. As it increased daily, and as I became weak, my parents were troubled. They thought that their son who has finished Engineering would go for work. But they had to visit hospital very often.

Field Worker Rupvarsha came to our Uchhbhatti village of Janjgir Champa district, Chhattisgarh. We had the opportunity to listen to his street preaching. My parents who heard my screaming the most, were comforted through the Word of God. The Word of God made it clear that the love of God will make mankind live and it created faith in us that Jesus could heal me. At the end of the meeting, we invited the field worker. We asked him to pray. Three days, the worker continuously visited us and prayed. Jesus wiped away our tears. He completely healed my mental illness. Now, there is no lamentation at night. There is great joy. There is no tear but praise! We are proclaiming Jesus, who has healed us. Hallelujah! - New believer Pushpendra Kumar Khutte family

In the line of Fallen Kernel Nandaboyi Sahadev

Bro. Nandaboyi Sahadev was serving among Konda Dora people Group for the past 18 years and was sharing the glorious gospel of Lord Jesus Christ. The strategy of his ministry was 'Transformed Hearts and Transformed Villages' and he worked at the needy villages around Arakku valley in Andhra Pradesh. After his theological

education, he completed his in-campus training as fulltime worker, he opened the first field at Garudapalli in January 2003. He maximized the God-given talents for His glory and has expanded the boundaries of the ministry. From the Field Worker working for 5 villages, he was raised up as a Field Coordinator, who was taking care of many mission fields and mentoring the gospel workers and believers at Peddabayalu and Hakumpeta regions.

43-year-old Sahadev was affected by cancer and was under medication. He went to be with the Lord on 28 March 2021. During the second coming of our Lord, there will be thousands of Konda Dora believers along with him. This is the word that consoles the co-workers, the church believers and village leaders. Through this hope they are pressing forward. Lord of all comfort has to comfort Sahadev's wife and children Ludiya (age 16), Grace, (12) and John Paul (8). May the Lord of all comfort console them and guide them.

Annual Evaluation Meetings

The promotional staff camped with their Area Coordinators and Ministry leaders from April 6 to 8 at 18 hubs so that the upcoming 6 months will be months of harvest. They prayed together and drafted the action plan that has to be carried through faith, every day in their ministry.

They remembered with tears and gratitude, the goodness that God has done during the last financial year. They praised the Lord for the families who are supporting the ministry in the regions beyond.

Our plan is to reach 3000 new villages through the loving participation of these staff along with the representatives and field workers. Please uphold them to have God's strength and guidance.

ONE GOOD NEWS FOR ALL HUMANITY

- Rev. S. Emmanuel Gnanaraj, Director – Prayer Network

GOSPEL FOR THE HUNGRY

There was commotion at the entrance of Samaria in the early hours! The reason was the Samaritans had good news. What happened? The King of Assyria came against the king of Israel Ben - Hadad and has captured it. Hence Samaria was under great famine. A donkey's head sold for eighty shekels of silver, and a quarter of a cab of seed pods for five shekels. Famine was at peak in the land. The voice of danger was heard saying ““Help me, my lord the king!”” when the king heard the bad news, the king tore his clothes. The woman replied: “This woman said to me, 'Give your son so we may eat him today, and tomorrow we'll eat my son.' So, we cooked my son and ate him. The next day I said to her, 'Give your son so we may eat him,' but she had hidden him.” That was a devastating situation. But the next day became a day of good news and joy in the land of Samaria. What a miracle!

Four lepers were outside the city without food. The dangerous and adventurous act they made was the reason for the good news. They planned to go to the enemy's camp rather than dying here without food. They went with courage to the enemy's camp, if the enemy permitted them, they would live otherwise die. This led to the miracle.

The lepers came to the entrance of the enemy's camp and entered their tents. There they ate and drank and took silver, gold and garments and hid them. They came back again and did the same in another tent. The starved lepers received food was the first good news. Then they saved the silver and gold for their future was the second good news. Next they thought about their brothers in the city who are starving and filled with fear. It made them to think and act. What did they do with the gospel they received?

Consider 2 kings 7:9 “Then they said to each other, “What we're doing is not right. This is the day of good news and we are keeping it to ourselves. If we wait until daylight, punishment will overtake us. Let's go at once and report this to the royal palace.””

Did the good news that they proclaimed became good news for those

inside the city? Yes! It became good news! Verse 12 says “The king got up in the night “. But he did not believe. He sent the remaining horses and chariots to confirm it. The soldiers went till Jordan.

The Lord was gracious to the king of Israel who humbled himself in sackcloth and prayed God to save his people (2 Kings 6:27). God sent the army of heaven and chased away the Syrian army. 2 Kings 7:15 says “the whole road strewn with the clothing and equipment the Arameans had thrown away in their headlong flight.”

A miracle happened over night. The next day the good news created a commotion at the entrance of the city gate. It was good news for those who were hungry. They ate and rejoiced. The officer who failed to believe was able to see and as the prophet Elisha said, he died. 2 Kings chapter 7 says 'the people trampled him in the gateway, and he died.'

GOOD NEWS FOR THOSE WHO ARE AFRAID:

The incident in 2 Kings 18:13 – 19:37 teaches us the second truth. It was good news for those who were in fear. King Hezekiah ruled the land of Judah. During his reign people felt, what the king did was right in the sight of the Lord. In the fourteenth year of King Hezekiah's reign, Sennacherib king of Assyria attacked all the fortified cities of Judah and captured them. King Hezekiah surrendered and accepted to pay tax to king of Assyria. To a greater extent of his weakness, he took the silver and gold of the temple of God and gave him. These wrong doings of him made him realize that his capital is in danger. The king of Assyria sent his supreme commander, his chief officer and his field commander with a large army, from Lachish to King Hezekiah of Jerusalem. Their conversation made the king afraid. It is recorded in 2 Kings 18:17-35. The faith of King Hezekiah on God was mocked.

We read in the first 4 verses of chapter 19 that king Hezekiah went to the temple and prayed. He asked prophet Isaiah to pray for him. The answer from God is recorded in 2 Kings 19: 6-34. This was the good news given to him. He believed in God and in His words. We read the good news that happened to them in verse 35. That night the angel of the LORD killed a hundred and eighty-five thousand of the Assyrian camp. This was the good news. Are you at the verge of fear? All that you fear will not happen.

GOOD NEWS FOR THOSE WHO ARE IN CLUTCHES OF SIN

We read about the next good news in John 4. Jesus came down from heaven and became a sacrifice for our sins. He came to give great joy to all mankind says Luke 2:10. He gives us living water. He revealed Himself to the Samaritan women as the one who gives living water (Jn 4:26). We read in John 5:24 ““Very truly I tell you, whoever hears my word and believes him who sent me has eternal life and will not be judged but has crossed over from death to life”. It was not good news for the paralysed person, when Jesus said 'Your sins are forgiven' (Mark 2:5)! Was it not true that he took his bed and walked! Was it not true that the woman with the issue of blood was healed (Lk 8:46-48)! Was it not the gospel that delivered the daughter of Abraham who was bound by Satan for 18 years (Lk 13:16)! Was it not the gospel that gave grace to the woman whom they brought to Jesus saying that they caught her red handed (Jn 8:11)!

Beloved, what is our state today? What is our need? There is good news for those in hunger, for those who are afraid and for those in sin. Jesus is the good news.

Jesus Himself is the good news, Receive it, this is right news!
Good News for all humanity, Which was given by heaven!

If you know, then there is deliverance! If you proclaim, then there will be harvest! ■

LIVING WITNESS

I belong to Dhaleniya village of Uttar Pradesh. The swelling that was seen in my stomach began to increase. I was unable to eat and drink and was bedridden! There was no treatment. Though family members and relatives were around me in the house, I had the fear of death. We heard about the field worker Shiv Sankar Prasad who was in our nearby village Sunar. My eldest son contacted him over phone and invited him to our house. We prayed in the name of Jesus. Words of hope were read. After one hour of prayer with faith, I got new strength in my body! The food and water that was given to me with prayer changed my sick bed! The family and friends who were surrounding me with sorrow knew the power of Christ Jesus. They are witnesses for Jesus who has given strength to me! –Hirawati Devi.

**"But to all who believed him and accepted him,
he gave the right to become children of God."**

(John 1:12)
