## Emil Annan's Points to Ponder

- The Lord's voice comes to everyone directly or indirectly right from birth till death. Those, who accept His invitation, will be protected; others, who can't escape His wrath, will perish.
- Only those who are not afraid of the Lord's Voice be afraid of man's voice!
- The man, who doesn't heed to the Lord's voice, will wail all through his life.
- Those, who answer God's call immediately, will always walk with God, just like Enoch!
- Those, who stand against the Lord's voice with pride and power are those who pretend that their voice is equal to the Lord's. Their end will be terrible like Herod's. (Acts 12:23)
- The Lord kills those, who do not listen to His voice, whereas he lifts up those, who listen to Him, to the highest position (I Chro. 10:13,14)
- If you want to hear God's voice, read God's Word everyday; sit at His feet at the break of dawn!

Voice of One from the Earth

Genesis 3: verses 8 and 9 make it clear that the voice of God is the 'Relationship that God has with Man.' It was the voice that was born out of God's desire to communicate with His creation! "He shall bruise your head" was the reverberating voice of God, in order to redeem mankind which had fallen in sin because of the crafty serpent! (Genesis 3:15) The voice of God was revealed through Noah, Abraham, Moses, Joshua, Samuel, David, Elijah, Job, Daniel, John the Baptist and Paul! It was the powerful voice of God that came to earth in the name of Jesus (Matt. 1:21). It is the voice of the Good Shepherd, who tends the flock and calls His sheep by name! (John. 10:4,5,27)

It was the trumpet-like voice of God that spoke to Moses in Sinai and revealed Himself to the Israelites (Ex. 19:16-20; Heb. 12:19-21). He talked with Elijah in a still, small voice! (Kings 19:12)! Jesus, the Saviour cried out loudly from the cross saying, "Father, forgive them" (Luke. 23:34). It is the voice of the Son, who commissioned us to go into the world and preach the Gospel to every creature! (Mk. 16:15)

In the past, God spoke to our ancestors through the prophets many times and in various ways, but in these last days he has spoken to us by his Son, whom he appointed heir of all things, and through whom also he made the universe (Heb. 1:1,2). Through biblical verses, through miracles, in various situations, the voice of God continues to reverberate with the message, "repent, you will be redeemed." Be aware that you should never avoid or disobey the voice of God (Heb. 12:24,25).

## Voice of One from Heaven

The author of the Book of Hebrews makes it clear that we cannot give lame excuses and escape the voice of Heaven (Heb. 12:25-29). As Haggai 2:6 says, it is the time, the warning of God is going to be fulfilled, "In a little while, I will once more shake the heavens and the earth, the sea and the dry land". The phrase 'once more' reveals that all the 'shakeable' things will be no more, and the unshakable things will be 'firm and permanent.'

'Time is near,' is the loud voice that came from heaven. Satan knew that he has little time and so has come down with anger. Hence there will be danger! Besides, it is also said to fear God and glorify Him. The time has come for judgment! The voice has prompted us to worship the Lord, and the Lord only! The one who is seated on the throne says, "Let the one, who does wrong continue to do wrong; let the vile person continue to be vile; let the one who does right continue to do right; and let the holy person continue to be holy". "Look, I am coming soon! My reward is with me, and I will give to each person according to what they have done" (Rev. 22:11,12).

## Cautioning sound to Cling to Grace

In Hebrews 12:28, we are reminded to be thankful, and worship God acceptably with reverence and awe, as we receive a kingdom that cannot be shaken.

- a. We should not be ignorant about the great salvation (Heb. 2:1-4).
- b. We must move forward with faith and with a believing heart and obedient life (Heb. 3:7-19; 4:1-13).
- c. We must move from the primary level of faith and cautiously press towards the complete life without being weary (Heb. 5:11; 6:20).
- d. We must not backslide in faith but we are called to move forward. This is what God desires (Heb. 10:26-29).
- e. We must not neglect our God of Gods, who created us. If we cling to Jesus who is gracious on us then we will be lifted up! (Heb. 12:25-29; Rom. 3:24; Eph. 1:7; Titus 3:4-8)

## Voice of Vision for Missionary Work:

Our fields are places, where the name of God was not shared even once. The houses and the villages where the missionary reaches are

transformed in Christ. There are sounds of joy and sounds of worship to the living Lord in the places, where the new believers gather and worship! The voice of our vision is to pray, donate and involve as Indian believers to make the 'Vessels of peace' carry the gospel, one after another. Let us pray earnestly to fulfill the vision.

- 🕒 We need committed representatives who could volunteer and increase the finances of the ministry through joint efforts and prayers of the believers. If God leads you to be a representative, kindly come forward.
- 🕒 We need a minimum of Rs 17 lakhs every day to move forward

- ⌚ We remind all those who have adopted the villages to raise their monthly contribution to Rs 4000. We also request all those who donate Rs 100, Rs 500 or Rs 1000 monthly to double their offertory. We thank you for your sacrificial donation.

### Christmas Gift for Workers:

We are getting ready to give Christmas gifts to the workers and their families who tarry so hard the whole year in the fields. We request you to donate your monthly contribution as a gift for the workers and encourage them. 2023 calendar is also getting ready. It would be given to you, during Christmas Carols or when we visit your homes. You could contact your area workers or representatives for further details.

Then I heard the voice of the Lord saying, "Whom shall I send?  
And who will go for us?"

And I said, "Here am I. Send me!" (Isaiah 6:8)

## LIFE-GIVING SAVIOUR JESUS

I was depressed often when I remembered the death of my husband who passed away before my eyes, fallen head along due to fits. My eldest daughter also suffered with fits and she also fell down like my husband. When there was none to help, I cried bitterly. Believer Bihani Barwa heard my cry and came for help. Through prayer, my daughter stood up. From then on, this disease has not touched her. It is Jesus who has delivered her. So, we have started to follow Jesus and we are strengthened not only physically but also in our inner-selves too! We praise God for leading us towards peace during the past three months.

# The Lord's Voices

The voices of the Lord are revealed in the firmament!  
It is proclaimed in the wide skies!  
They say in louder terms, day and night, you need knowledge –  
the wisdom to know the Lord.

Lord's voice does not come as Man's voice through his mouth.  
Nor does it sound like humans'.  
Never the less, Lord's voices are potent enough  
to crush all human voices in seconds  
and stall all human knowledge in minutes.  
It reverberates in all the 66 books, in every page,  
in every Verse, and in every sentence!

Not only that, Look at the skies; look keenly at the stars;  
look at the sun and the moon;  
peep into the oceans; penetrate into the dense forests.  
Analyze every sphere of nature!  
You will hear the Lord's voice. You will see the footprints of God.

The knowledge about God is revealed to man in a definite way.  
The Lord has revealed His voice to man.  
No man can excuse himself from his wrong or sins or  
transgressions by saying, 'God has not done anything to me;  
why God has left me like this?  
Man cannot escape from them with his lame excuses!

The Lord's voice resonates in every page  
from Genesis to Revelation! When did you see those pages?  
The question remains, how many pages did you read today?

Man cannot hear God's voices by not wearing footwear  
or by observing any other religious ritual  
like tapping your head with hands.  
Unless you sit down in one place and read the Word of God,  
which is given in your hands by the Lord,  
understand and comprehend it, you will only be running around  
or loitering here and there and in the end,  
you will find yourself confused and tired in your heart!

The Lord's voice is heard loudly four times in the Holy Bible.  
Out of it three have taken place already;  
there is one more, which is going to be heard in the end time!

The Lord's voice which was heard for the first time was an open call:

**"Adam, Adam, why do you hide yourself?"**

**Adam, Adam, why do you live a life of fear?"**

The same voice will be heard by everyone  
both male and female born and to be born in this world.  
The voice of God will sound more than thunder  
in the heart of everyman who lives a life filled with fear.  
This voice will startle him.

God knows why Adam and Eve are afraid and live in hiding.  
But He wanted to check  
whether they will answer His question of why, truthfully?  
That's why He raised His voice.  
But Adam and Eve did not give the right answer  
nor did they present a true report;  
The more they babbled, the more they went deep into the pit of fear.  
The more they swallowed the words,  
the more they entered the pit of lies!  
Those who hide their sins shall not prosper!

The reason, why the voice of God calls twice,  
"Adam, Adam" or "Simon, Simon"

is to point out that the Lord's voice is definite and certain.

What is the Lord's voice to everyman in this world, today?  
Why do you live in hiding? Why do you live in fear?  
From the past up until the present, the reason for our covert,  
fearful, shuddering, and panicking life is our secret sins!  
As long as we indulge in secret sins, our mouth will keep on lying;  
as we tell lies, after lies, our hearts will start trembling!

They have harmed their own selves!  
God had given them the power of discernment.  
They know very well what will please God,  
what is right according to their own conscience  
and what is right in the sight of God.

In the same way, in which the devil entered the Garden of Eden,  
he can enter your heart as well; But when?  
When you close your ears to the Lord's voice!  
Adam and Eve closed their ears to the Lord's voice  
but opened their ears to listen to the devil.  
They willingly listened and fell into the trap of sin –  
later, they feared and hid themselves.

Whom did they fear? They feared the Lord.  
From whose eyes did they hide themselves?  
From the sight of the Lord!

Till man answers, "Lord, I sinned," to the voice of the Lord,  
which asks, why do you hide? Why are you afraid?,  
they will continue to live in fear and hiding.  
In the end, they will die in sin.

The second time, the Lord's voice is heard is  
**in the Book of Exodus 20<sup>th</sup> Chapter -  
The voice was heard on Mount Sinai!**

It appeared ten times! Gave Ten Commandments!  
The voice was born in the midst of Do's and Don'ts.  
It is not that man does not know what to do and what not to do.  
Even a small child knows that it should do only good things  
and not evil things, right things and not wrong things.  
This was proclaimed by the Lord's voice on Mount Sinai so strongly!  
It was engraved on a stone slab  
and kept in a very important place but not in their hearts!  
So just like Adam and Eve, they also, lived a life of hiding!  
Thirdly, the Voice of the Lord came openly.

**The seven words that came out of the Lord's mouth,  
when He was hanging on the Cross on Mount Calvary.**

They did not do what they should, but did what they shouldn't.  
Still, the voice cried out, "Father, forgive these men."

There is going to be one more time,  
the Lord's Voice is going to be heard!  
This time, the Lord's Voice is going to be heard finally  
to find out those who answered truthfully the question,  
which was asked in Eden;  
those who meticulously followed the warning given in Mount Sinai;  
those who eagerly drank the redemption given at the cross  
and bring them to close to Him.

This world is going to hear the strong voice of the Lord, which says,  
"He is coming in the clouds. Every eye is going to see Him"  
That voice will be so strong that even the deaf will hear it.  
The coming of Lord Jesus will be so bright that even the blind will see.  
The Lord's Voice, the voice of angels, the sound of trumpet,  
the joyful shouting of the people, who are chosen by Him,  
the wailing of the people who despised Jesus and did not accept Him,  
all these will merge to form the Lord's Voice,

so that the earth and the sky will tremble and shake!

If that sound should be pleasing to you – your knee must be bent;  
your early morning hours should be the time of prayer;  
the word of God should be the light for your life;  
you should not be carried away  
by idle conversations, derision, ridicule and jeers.

In your prayer time, you must go around in your spirit  
all through the world, through out India, to every state in India,  
through all the continents of the world.

As a man or woman, You must pray with deep sighs just like Jeremiah.  
To the extent possible,  
you must preach the Gospel in season and out of season.

You must give the priority to the question,  
“If not sent, how will they preach?”

Through you,

many gospel workers should be sent to the needy places in India.  
You must be instrumental in adding new names to the Book of Life  
in Heaven, every day.

But if the Lord has to work through you,  
you must be led by the Holy Spirit, all the twenty four hours.  
Your life's credo should be 'not me but Christ',  
not only today but all the days of your life.

– Amen. ■

## A Prayer

In the midst of numerous voices heard in this world,  
Lord of Lords, let the sound of heaven alone be ringing in my ear!  
In the thick of loud voices of men, wailings and erupting angers,  
Lord, help me to listen to the tender voice of the Holy Spirit!

In the world of mockery, fun, frolic, and sinful music,  
Lord, help me to listen to praises, thanks,  
and songs of angels and saints!

In this world of rivalry, jealousies, vengeance, and scheming,  
Lord, help me to proclaim to the world  
that Love is the first priority!

In this world of lusts,

living as one pleases, desires and carnal things,

Lord, let me hear in my heart, Holiness is power,

Prayer is life, Word is the lamp, Truthfulness till death.

Let this be my prayer all my life.

In the name of Jesus and in Jesus, Amen!

# Ten Workers have Committed themselves to proclaim the Good News of the Kingdom of God

We thank Rev. M. Jacob Raj of Ringle Thoubé Memorial Church of Venkanji, Kanyakumari district and the assistant pastor Mr. F. Franklin for dedicating ten workers during the evening service held in their church on 25.9.2022.

These workers will be reaching the villages that are in need namely, Gajapati, Mayurbhanj, Keonjhar and Rayagada districts of Odisha. We thank the families who have adopted the villages, where the workers will be reaching.

May God richly bless the committee members and the church members for their efforts towards the expansion of the kingdom of God.

## LISTEN TO THE VOICE OF THE LORD OR SEE HIS ANGER POUR ON!

The people of Sodom and Gomorrah did not hear the Voice of the Lord. So they saw the wrath of the Lord. The Lord's voice was a loving warning to them but the wrath of God ended their lives!

Before the Lord's anger is poured upon people, who indulge in sin, the Lord's voice is given to them. Only those people who hear the voice know, how it is given. But, if they don't listen to Lord's voice, they will suffer painfully. No one can console them!

Even in the midst of chosen people, there are some who can't realize the Lord's voice. They pass through this world with great sorrow!

King Saul heard the Lord's voice many a time and in different ways. In spite of it, he refused it and so God rejected him! He committed suicide by falling on his own spear which was driven into the ground!

The Lord's voice comes straight to people whoever they are! If they realize it and if they turn their hearts towards God, they will be redeemed! They will live happily on earth and in Heaven!

# LET THOSE WHO SEEK THE LORD REJOICE!

Go up into the mountains and bring down timber and build my house, so that I may take pleasure in it and be honored," says the Lord. (Haggai 1:8).

The believers from Velachery, Chennai have decided to construct a church every year in the mission fields. As a result of their honourable decision, this year a church was constructed through the help of the Holy Spirit at Sindol village in Sonepur district of West Odisha, where Sambalpuri people reside.

As a team of 13 along with Ministry Coordinator Rev. Jeyaraj, we travelled for the church dedication service. Our journey commenced on September 2 heading to Balangir, Odisha. After a day's travel, we reached Balangir at night.

The next day, we moved towards Sindol field for church dedication. The church was dedicated for the glory of God by noon on September 4. More than 150 believers and field workers who work in the nearby villages and the village leaders attended the dedication service. The Word of God was shared on the title 'Church – Cleanses our Hearts.' The arrangements for the church dedication service were conducted under the leadership of Odisha state coordinator, Benjamin Das and Odisha state workers.

We realized through our trip that the number of believers at West Odisha region is increasing through the ministries that are carried out there but the churches are less where they could gather and worship. We praise God for enabling us to construct a church at the place, where there is a great need. We thank the families from Velachery area who prayed and gave for the construction of the church. May the hearts of Sindol believers who worship Him in spirit and truth rejoice in God!

Malti Kalam(35 years) from Pawarkheda field of Hoshangabad district, Madhya Pradesh, is the wife of worker Ram Krishna Kalam, who went to be with the Lord on November 9, 2021. Following the foot steps of her husband, she also went to be with the Lord, during the early hours of 28.09.2022 due to heart failure.

Malti Kalam shared the gospel along with her husband. She continued the great commission even after the death of her husband for the past one year. She had worked hard to share the gospel with Bagheli people group in Ninsodiya province. She had worked for the Lord till her last breath and is now resting in the Lord.

The three children, who were just overcoming the death of their father, have lost their mother too and they need your prayers. Their 17-year-old eldest daughter Koshika, is studying 1<sup>st</sup> year B.Sc. Their 14-year second son, Dheeraj is in his 10<sup>th</sup> standard and their youngest daughter Sharisti (12 years) is in her 8<sup>th</sup> standard. May God wipe away their tears, heal their depressed mind and lead them with His right hand!

# ETERNAL FATHER, YOUR WORDS ARE ABSOLUTE TRUTH

-Pon Subarson

Dearly beloved, I have been prompted, by the Holy Spirit, to write in the light of Acts chapter 4, as a continuation of our Bible Study.

Men cannot deny or hide facts which are stated in the Bible, right from the creation, through the events that happened in the past, things happening in the present and things that will happen in the future. People who tend to do so will face failure. There are numerous examples and a cloud of witnesses for the same.

What made Peter and John preach so powerfully? Their hearts and souls were entwined in the true Word of God.

Moreover, the power of the Holy Spirit made Peter and John preach the Word of God boldly. They said: As for us, we cannot help speaking about what we have seen and heard (Acts 4:20). They had seen the miracles, commandments and laws of Jesus. They had even witnessed His tribulations, death and resurrection. They were unable to keep quiet. They bore witness to the resurrection of Jesus Christ, in the presence of Sadducees, who did not have faith in resurrection.

They said in louder terms, it is by the name of Jesus Christ of Nazareth, whom you crucified but whom God raised from the dead, that this man stands before you healed. Jesus is "the stone you builders rejected, which has become the cornerstone.' Salvation is found in no one else, for there is no other name under heaven given to mankind by which we must be saved." (Acts 4:10-12).

Peter and John were fully aware of the fact that their life was made complete in Jesus. The man who was healed also realized

the truth that it was through Jesus that He was able to walk and jump. Dearly beloved, the disciples were not afraid when the leaders of the Temple of Jerusalem gathered. They faced them boldly and were witnesses for Christ. They were firm in their salvation. They were not perplexed about the questions from the leaders of the Jewish community. They replied, it was only the name of Lord Jesus Christ that could save as there was no other name in the world that could save.

We are living at a time, when the word 'salvation' is denigrated to such an extent by the Bible scholars, who compromise with the beliefs of people of other faiths. This greatly saddens the believers. Such people think audaciously that they can reach God through tradition, modes of worship and religious practices. But Peter and John, stared at the officials and said: there is no salvation without Jesus. Their witness was to make them 'repent.'

Yes, beloved, during these last days, God expects us to be witnesses for Him. We must be filled with the Holy Spirit, if we desire to be His witnesses. We must also spend time with Him. If we proclaim the Truth boldly, then many would become His children.

Not only that, it is essential to pray for our workers to carry with courage the gospel of Jesus Christ in India. Those days, when the members of the Jewish Council and the people who had gathered there, ganged up against them, Peter and John started praying. (Acts 4:29-30). When they started praying, they spoke the Word of God boldly. Apostle Paul wrote to the church in Ephesus: Pray also for me, that whenever I speak, words may be given me so that I will fearlessly make known the mystery of the gospel,<sup>20</sup> for which I am an ambassador in chains. Pray that I may declare it fearlessly, as I should (Eph. 6:19-20).

Beloved in Christ, today, believers and their families should proclaim Jesus boldly along with us. The main aim of our church and the organization should be to proclaim the gospel of Lord Jesus Christ. If we do so, then heavens will rejoice over us! Lord bless us! ■

# Spiritual Journey through Valley-Pathways

A city that is set on a hill cannot be hid (Matt. 5:14).

## In God's Creation –

The snow encircles the mountains on earth;  
the mountains embrace snow with love!

Araku valley is called the 'Kashmir of Andhra' and it holds many beautiful spots. It is a place of great scenic beauty. Human eyes cannot but get attracted to the beautiful mountains and the mountain ranges. Of course, we could see God's grandeur revealed in this beautiful place, only for a few God-given hours, when there was no rain!

25 people from Trichy went to Sarumanda in Araku valley on September 30 along with Trichy staff Bro. John. We thank God for enabling us to attend the Sunday worship at Sangamvalasa Worship group on 2<sup>nd</sup> October 2022. Following that, we visited the magnificent Borra Caves.

We visited the first field Katharajulida on 3<sup>rd</sup> October 2022. Subsequently, we had to travel over a narrow road with ups and downs in a jeep to attend Sarumanda church-dedication. God

wonderfully conducted the dedication service, along with the warm welcome of the believers. We were totally surprised by the love and hospitality of the believers.

We were excited to hear from the believers that after the

construction of the church in that village, it has received water, electricity and road facilities.

On 4<sup>th</sup> of October, we visited our Vishakhapatnam office that God has given us graciously. We prayed in the office and glorified God for enabling us to share the gospel in Araku valley.

– Dr. Rabindra Aaron, on behalf of the tour group.

## We Thank

We thank Rev. V. Prem Kumar Christudass for presiding over the vision-meeting that was held in CSI College of Education in Ramanathapuram on 24.9.2022. We thank all the believers who attended the meeting. Special thanks are due to Mr. Anbalagan, Ramanathapuram Ministry Development Leader and its members for all their help.

We thank Rev. V. Prem Kumar of C.S.I. Christ Church, who dedicated four missionaries during the Sunday Service on 25.9.2022 and sent them to reach the unreached villages in Odisha. ## Jesus is the Head of Our House

We reside in Polasmasl, Dang district in Gujarat. Our 17-year-old son Rohit is studying 12<sup>th</sup> standard. He began to backslide in his studies and even stopped going to school. We later realized that he was under the clutches of evil spirit! We were unable to do anything with black magic. Rohit went away during the midnight of August 25 and disappeared into the woods. We tried hard to find him with tears and lamentations. But there was no use. My brother Ganesh Bhai knew Lord Jesus Christ. Hence, he gathered the believers for a prayer.

We were able to realize that Jesus Christ has the power over all the authorities of the world through the words of Rohit, when he returned home early morning. "Evil spirits took me inside the dense forest. A person dressed in white delivered me. He led me to our house" – were the words of my son and through these words we were able to realize the power of prayer. Yes, miracle happened when we prayed in the name of Jesus and we have committed as a family to follow Jesus. We haven't felt the trouble of the evil spirits for the past two months in our boundaries, because Jesus Christ is the head of our house! Hallelujah!

# From the Network Chairman...

Dearly beloved brothers and sisters in Christ,

Grace and peace be unto you through Father God and Lord Jesus Christ.

Our Lord God has carried us through the ten months of this year over His shoulders. He will continue to lead us through and crown us with His goodness and grace.

Media is a valuable tool for ministries that move forward in their vision. Vishwa Vani Ministry is no exception! The role of our media team on shedding light on the fruits of our labour in the mission fields, sharing the same with the prayer partners and believers and picturing the present scenario of the mission is stupendous! I praise God for our media team, who share God's vision concerning the places that have not heard the name of Jesus even once, to the believers through audio and video recordings. As we make use of the media to the maximum, we focus on increasing prayer partners and repenting souls. Due to the indefatigable service of the media team, heavens rejoice each day!

# RAISE THE HANDS THAT WORK! UNITE THE LEGS THAT RUN!

**T**he earth is engulfed in the golden rays of the setting sun. As pastures and water bodies glitter like golden plateaus, the sky looks like pigments of variegated colours.

The mountains and trees, like a painted picture in black, at the lower end of the sky, are blocking the sun. Facing the sun, which looks like a broken bread on the face of the mountains, the birds fly back to their shelter with the faith that they have crossed a day.

We attain ecstasy when the aroma of the rice field that is ready for harvest fills our lungs.

Gobbling the day, the night begins its dance slowly. As noises of the day recede step by step, peace and darkness and lights like fire flies, the world prepares to retire for rest.

God is eternal and He is not bound by time. But He determined that man and animals and all the creations that have breath must be bound within the time-frame. That is why, we experience the revolving of day and night with the heat of the sun and the cool night of the moon.

We waste many hours in the 24 hour-cycle of the day. Some times, we spend a few hours usefully. One of the main things that man has to give account to God is his time.

Before we understand the truth of life, half of our God-given life span passes away. We get startled, when we are warned to make the best use of time by the gray hair that sprouts near our ears.

In general, the first 30 years of man's life pass away as tortoise and next 30 years go away as hare. Mostly people realize the importance of gospel work, heaven and holiness in private life only after 30 years.

As we start moving, realizing its importance, we cross 40 years of age. The time moves like a weaver's shuttle. The truth that hurts is, it cannot be reversed even if we invest crores on it. And it is a fact that we fail to accept!

Missionary work is giving life back to God who gave it. It gives great joy and innumerable souls, for those who have the concern, plan and move for harvesting the souls from morning till night and run steadfast with holiness and truthfulness. The heaven watches over them. Jesus Christ rejoices over them.

At the same time, people who harvest souls for the sake of their own benefit, name, fame, income and the acceptance that they get in society are pathetic. They gain nothing, let us keep them aside.

There are some who realize that they have lost their valuable time and worry what they could do next. Even if they are unable to go as missionaries, they could change their place as mission fields and be a channel to share the truth of God with others. They could console others and bind their wounds. With the support of other believers, they could gather as much they could for the sake of missionaries in North India. We call them as Vishwa Vani representatives.

As sales representatives with tie, carrying a bag and introducing their products to others, the Vishwa Vani representatives meet many for the gospel work and join them for harvest. If only full-time workers would collect the offertory from the believers, then it would take another thousand years to evangelize India. But if thousands of representatives would come from every town and reach 5 or 50 houses, then the colour, thinking, vision, growth and faithfulness of this nation will be highly enriched.

You might think that you have entered the dark phase of the day in your life. But the beautiful golden evening creates greater wonders in the lives of many.

A bit of salt could add taste to the taste buds of people in the banquet. Even when you are tossed by hesitations, hurdles and blockades, If God leads you to become a representative, then contact the full-time worker of your city and become a representative for Vishwa Vani. Crores of people are going to taste the banquet of the Lamb one day! We are the pinch of salt that is mixed with the food to add flavor!

– Haris Prem, Vishwa Vani Media.

# Speaking God

## FOR A SPEAKING MAN

- Rev. Emmanuel Gnanaraj, Director – Prayer Network

Did God talk to you today? Did you listen to His voice? Has God ever talked to you? 'Speaking God for a Speaking Man' are the words of a poet. If you are a man who speaks, then you need a God who could converse with you. Will God, the creator of heaven and earth talk with man? Has anyone listened to His voice? Which language does He speak? We must ponder these questions. The people of the world are running after saints who say that God talked with them and they have the divine visitation. People are ready to bow and worship them. People believe that God's Word is with the men of God. They even follow their words. People also fear that it is sin against God when they do not follow the words of godly men. It is considered divine when we follow the voice of God.

### **How is the Voice of God?**

How is the voice of God when He talks? It is usually considered that God's voice is heavy and manly that threatens people. They even think that man cannot live when they hear the voice of God. We could see similar incidents from the Bible like Gideon and Manoah, Simeon's father. In general, man is afraid to hear the voice of God. They do not want to hear the voice of God and naturally do not take any steps to hear the voice of God.

But the Bible shares many examples, where God talks to His people. The Israelites heard the voice of God from thunder at Mt. Sinai. They trembled on hearing His voice (Ex. 19:16-19). The LORD spoke to Moses face to face, as a man speaks to his friend (Ex. 33:11). Genesis 18 says, how God talked to Abraham directly. We read in 1 Samuel 3, young lad Samuel's conversation with God. Hence the voice of God is not threatening. It is the voice that talks to mankind as a friend. The Bible tells us that God talks not only face to face but also through visions and dreams.

## Talking God for a Talking Man:

Which language does God use to converse with people? God can talk in all the languages that man uses. Moreover, He desires to talk to you. In the beginning, God created man and was conversing with him daily. But this sweet relationship was severed on a particular day (Gen. 3). Conversation requires relationship. Adam was conversing with God daily. But this communication came to an end, when sin entered. God came in search of Adam asking, 'Adam, where are you?' The first phrase that God used to talk to mankind was a blessing: "Be fruitful and multiply; fill the earth and subdue it; have dominion over the fish of the sea, over the birds of the air, and over every living thing that [\[h\]](#) moves on the earth." Oh! What a great joy!

Secondly, He gave rules, what they can and cannot eat. When we cross the boundaries then it is sin. Adam and Eve crossed the limits that was set by God for them and ate the forbidden fruit. God's voice created fear in them and so they hid themselves. God spoke to them the third time which was the voice of search: 'Adam where are you?' Genesis 3:17 tells what happened when Adam disobeyed God and obeyed his wife.

## What does God Expect? When does He Talk?

God expects us to listen and obey Him. Samuel said, 'Speak Lord, your servant is listening'. Likewise, our ears must be opened to listen to Him. We must also have the desire to listen to Him. Abraham did not argue when God asked him to go to the country that He would show, but obeyed Him totally. The reason for his obedience was the faith that he had on the Words of God. Abraham believed God, and it was counted to him as righteousness (Gal. 3:6).

God grieves many times in the Bible about the disobedience of the Israelites. God said in Isaiah 1:2 "...I have nourished and brought up children, and they have rebelled against Me." Prophet Ezekiel says in chapter 3 verse 6, "...but the house of Israel... will not listen

to Me...". This affects the relationship between God and Man. Even today God speaks! Are we listening and obeying Him? Or do we stand against Him, refusing to believe His words?

### When does God Speak?

God talked to the Israelites in a thundering, reverberating voice at Mt. Sinai. But, how did God talk to Elijah? Consider 1 Kings 19:11-13. We could see from chapter 17, how God did fulfil His plan that He had for Elijah. Elijah was zealous for God. He could stop the rain before the king. He could bring down fire from heaven. How did God talk to him at Mt. Horeb, when he fled for his life? He did not talk with great and strong winds that tore the mountains and broke the rocks into pieces. He did not talk even through the earthquake and fire but through a still, small voice. What did He talk with a small voice? It was about his future, and not an endorsement of his achievements.

### God Desires to Talk to You!

Dear children of God, the Almighty God desires to talk to you even today. He wants to share with you His plan as He did with Abraham, Moses and Elijah. Jesus said in many instances: He who has ears let him hear. Are you interested in listening to His voice today? God, tells you, as he told Elijah, "You have a long way to go." Do not be weary under the juniper tree. Do not say like Elijah, "It is enough Lord, please take me." Listen to His voice. He will not only share His plan but will also lead you! His eyes will always be upon you! He will talk to you through all that you see and hear. Hasten to listen to His still, small voice! ■

## AWESOME POWER OF JESUS

Nandani was unconscious for 20 minutes. Her parents were running here and there for help and finally reached the worker, Balbir Masih of Bullawal worship-group. They called unto the name of Jesus.

God answered their prayers, as He does with all prayers. Nandani stood up and she is a living-witness in the church. Jesus is alive even today. Praise be to God. - Rakesh Kumar
